Somedaydream

SING THIS SONG by Somedaydream

Standard Tuning
Capo on 1st fret

(For first verse, strum only once except for the last chord)

Cadd9

You remind me of the time

G

That I didn't get to sleep for hours and hours

Cadd9

Coz you were on my mind

G

And when you're on my mind I tend to

Cadd9

Kiss you every chance I get

G

Write your name in my songs so I wouldn't forget

Cadd9

G

That night we were together

But now it's over do you want me closer

Am7

Cause I'm leaving on a jet plane.

Cadd9

For all I know when I get back

G

You won't be there to miss me

Cadd9

Won't you kiss me

Em7

D

Cadd9

And all I can do is pretend that I'm still with you

CHORUS:

Cadd9

So close your eyes

G

Girl, I'll take you flying

Cadd9

You know I'm dying to see you now

G

And I feel like the world is ending when you leave me

And all I can do is

(SINGLE STRUM)

Em7 G/F# Cadd9

Sing this song to you

Am7 C D

Coz baby I m just so in love with you

Cadd9

G

Lovesick. You know I m trying not to get my mind sick

G/F# Cadd9

of you coz girl I really wanna do it to you

G

so don t you tell me now to quit this

G/F#

Coz baby I ll miss this coz

Cadd9

I kiss you every chance I get

G

G/F#

Write your name in my songs so I wouldn t forget

Cadd9

That night we were together

G

G/F#

I held your hips, you kissed my lips

Am7

I can t take this

Cadd9

For all I know when I get back

G

You won t be there to miss me

G/F#

Won t you kiss me

(SINGLE STRUM)

Em7

D

Cadd9

And all I can do is pretend that I m still with you

CHORUS:

Cadd9

So close your eyes

G

Girl, I ll take you flying

Cadd9

You know I m dying to see you now

G

And I feel like the world is ending when you leave me

And all I can do is

(SINGLE STRUM)
