

As You Sleep
Something Corporate

This isn't very accurate, just the basic chords. It sounds fine when I play along with it and when I play it alone.

Capo on 2

Em G Am
close your eyes, and i will be swimming

C Em G Am
lullaby s fill your room, and i will be singing

C Am
singing to only you

C Am
dont forget ill hold your head

C G
watch the night sky fading red

D Em C
but as you sleep, and noone is listening

G D Em C
i will lift you off your feet, ill keep you from sinking

G D Em C Am
don't you wake up yet, cause soon ill be leaving you

C Am C
soon ill be leaving you, but you won't be leaving me

Em G Am C Em G
in the car, the radio leaves me searching for your star

Am C Am
a constellation of frustration driving hard

Am C Am
singing my thoughts back to me,

C G

and watching heartache on TV

D **Em** **C**
but as you sleep, and no one is listening

G **D** **Em** **C**
i will lift you off your feet, i ll keep you from sinking

G **D** **Em** **C** **Am**
don t you wake up yet, cause soon i ll be leaving you,

C **Am**
soon i ll be leaving you

C
but you won t be leaving me

Em **C**

Em **C**

Am **C** **Am**
don t forget i ll hold your head,

C **G**
watch the night sky fading red

D **Em** **C**
but as you sleep, and no one is listening

G **D** **Em** **C**
i will lift you off your feet, i ll keep you from sinking

G **D** **Em** **C** **Am**
don t you wake up yet, cause soon i ll be leaving you,

C **Am**
soon i ll be leaving you

C
but you won t be leaving me
