And how your gonna be something

(same as Verse 1)

Maybe when your hair gets darker
Maybe when your eyes get wide
Maybe when the walls are smaller there will be more space
Maybe when I m not so tired
Maybe you can step inside
Maybe when I look for things that I can t replace
I can t replace
I can t replace

(same as above)

If you could be my Punk Rock Princess
I would be your Garage Band King
You could tell me why you just don t fit in
And how your gonna be something
If I could be your first real heartache
I would do it all over again
If you could be my Punk Rock Princess
I will be your Heroin

If you should be my Punk Rock Princess
So I would be your Garage Band King
You could tell me why you just don t fit in
And how your gonna be something
If I could be your first real heartache
I would do it over again
If you could be my Punk Rock Princess
I would be your Heroin
