

She Paints Me Blue
Something Corporate

Intro: **C Am G F**

Verse 1:

C **C/B** **C/A**
Tonight I watched the lights go out in your house
C/G **C** **C/B**
Wondering how I could get so deep
C/A **C/G**
And you could still get sleep
C **C/B** **C/A**
In vain I blame my trembling on the cold air
C/G **C** **C/B**
But I can't hide that I relied on you
C/A **C/G**
Like yellow does on blue

Chorus:

C **Am**
And you're my good feeling
G
I'm kneeling
F
Inside a room she paints me blue
C **Am**
And you are my reason
G
for breathing
F
Inside a room
she paints me blue again

[Interlude, same as intro]

Verse 2:

C **C/B** **C/A**
Atlanta started raining on me
C/G **C**
And teenage love was underground.
C/B **C/A** **C/G**
Tonight I'll break the surface

C **C/B** **C/A**
 Atlanta started raining on me
 C/G **C** **C/B**
 But no young girl was claiming me or naming me
 C/A **C/B**
 And destiny gets nervous

Chorus:

C **Am**
 And you re my good feeling
 G
 I m kneeling
 F
 Inside a room she paints me blue
 C **Am**
 And you are my reason
 G
 for breathing
 F
 Inside a room
 she paints me blue again

Interlude: **Am** **G** **Am** **G** **Am** **G**
