VERSE 1:

**C2** **Em** **D/F#**  
 I was hanging upside down from the overpass  
**A#-G/B C2 D/F# Em**  
 Waiting to discover something about the world  
 I couldn t get with the program and I couldn t listen to them  
 It was like trying to think in reverse  
 And I don t want to slide into apathy  
 And I don t want to die in captivity  
 But these monsters follow me around  
**A#-G/B C2 D/F# F**  
 Hunting me down, trying to wipe me out  
**G F Am**  
 Wipe me out (x3)

VERSE 2:

I was hiding away under water  
 Waiting for distance and buying some time  
 Trying to be two hundred thousand years younger  
 So I could excuse myself from humankind  
 Cause I don t want to be a container  
 Or a bastard with a ten page disclaimer  
 But these monsters spin me around  
 Get me down, just try and shut me out  
 Shut me out (x3)

BRIDGE:

**Dm C2 G**  
 Hold it in your head  
 Hold it in your head  
 Hold it in your head  
**F Am**

Believe and make believe and make believe

**G**                    **F**    **Am**

(Shut me out) I was hiding away under water

(Shut me out) Waiting for distance, waiting for time

(Shut me out) And I don t want to slide into apathy

(Shut me out) And I don t want to live in captivity
