Come by some time when I m awake&#8232;

Everyone else just lies to me&#8232;

They say you re a dream

Will you step into the light from the screen&#8232;

So that I can make out your shape&#8232;

You don t need to tell me anything because&#8232;

I know what you mean

**Em B#m C**

The rain shall come

&#8232;**Em B# C**

&#8232;**B#m Em C**

There s a hidden beauty finding its way out of everything

Kaite will you come true for me&#8232;

Come by some time when I m awake&#8232;

Everyone else just lies to me, yeah&#8232;

They say you re a dream

Will you step into the light from the screen&#8232;

So that I can make out your shape&#8232;

You don t need to tell me anything because&#8232;

Just hold your tongue&#8232;

Don t be so quick to curse them&#8232;

There s a hidden beauty finding its way out of everyone

Kaite will you come true for me&#8232;

Come by some time when I m awake&#8232;

Everyone else just lies to me, yeah&#8232;

They say you re a dream

Will you step into the light from the screen&#8232;

So that I can make out your shape&#8232;

You don t need to tell me anything because&#8232;

I know what you mean
