Eddies Song
Son of Dork

(Tuned down to **Eb**)

Verse:
B
Eddie kick started his career
G#m
One Summertime in May
F#
A shitty band with friends from school
E   **Em**
But only he could really play
B
The moment that he took the stage
G#m
The fans were blown away
F#
I always knew that he d go far
E   **Em**
I m glad I lived to see the day

Chorus:
B
Eddie s got twenty-seven kids but he
G#m
Doesn t know
F#m
Shames he ll never be around to
E   **Em**
See them grow
B
Said he screwed a different girl
G#m
After every show
F#
But he s always way too gone
E
To remember though
Em
So Eddie doesn t know

Verse:
B
At 3a.m, it s getting late
G#m
The after party s closed
F#
But everybody follow s Eddie

```
E                               Em
They just won t leave him alone
B
Calls seven girls to his hotel room
G#m
Takes off all their clothes
F#
Some people say he had it easy
E                       Em
But that is just the way it goes

Chorus

Other:
B                               G#m
He s in deep and there s a reason
                          E         Em
He s all alone and he can t change
              F#
Like the season s
G#m                     B
They come and they go

B
To all the kids who don t look
           G#m
Like their Mum or Dad
F#
Don t freak out, don t you let
              E     Em
 em make you mad
B
As long as they both love you then
      G#m
You should be glad
F#
Just think about the little problem
E         Em
Eddie had

Chorus X2
```
