Sick

Son of Dork

Capo 5

Intro: ${\bf G}$, ${\bf Em}$ x2

\mathbf{Em}

It s more than a habit D I m more than an addict C D I m parked here outside of you door

\mathbf{Em}

Know you never lock it D Got you keys in my pocket C D Lights all out, but I know for sure I am ...

\mathbf{Em}

Ten steps away from you **Em** From you and him **C Bm** Redemption, is that a sin?

C D I d never run him over Em G I wouldn t wanna dent my car С D I d never rip your throat out Em G Cos that could leave a nasty scar С D So I m gonna go out Em Get drunk with my friends G Try to get myself outta this funk C I d never screw my life up Bm Because of how sick you are

Em You walk by the river D As you start to shiver C D Two headlights are following you

Em

As he pulls you closer **D** My engine s ticking over **C** It s my choice **D** To do what I do

EmEsus2EmTen steps away from youEmFrom you and himCBmRedemption, is that a sin?

C D I d never run him over Em G I wouldn t wanna dent my car С D I d never rip your throat out Em G Cos that could leave a nasty scar С D So I m gonna go out Em Get drunk with my friends G Try to get myself outta this funk C I d never screw my life up Bm Because of how sick you are

Am C I m talking bout a split decision made in anger you know G I m talking something that could change my life forever

 Am

 Is it worth it? No

 C

 Is it worth it? No

 Em
 D

 C
 Bm

 Should I stay here and watch the show?

 Am
 Cm

 Or maybe ... it s time to go

C D I d never run him over Em G I wouldn t wanna dent my car C D I d never rip your throat out Em G Cos that could leave a nasty scar С D So I m gonna go out Em Get drunk with my friends G Try to get myself outta this funk С I d never screw my life up Bm Em Because of how sick you are
