**F#m**

It s more than a habit

**E**

I m more than an addict

**D**

**E**

I m parked here outside of you door

**F#m**

Know you never lock it

**E**

Got you keys in my pocket

**D**

**E**

Lights all out, but I know for sure I am ...

**F#m**

Ten steps away from you

**F#m**

From you and him

**D**

**C#m**

Redemption, is that a sin?

**D**

**E**

I d never run him over

**F#m**

**A**

I wouldn t wanna dent my car

**D**

**E**

I d never rip your throat out

**F#m**

**A**

Cos that could leave a nasty scar

**D**

**E**

So I m gonna go out

**F#m**

Get drunk with my friends

**A**

Try to get myself outta this funk

**D**

I d never screw my life up

**C#m**

Because of how sick you are

**F#m, E**

**F#m**

You walk by the river

**E**

As you start to shiver

**D E**

Two headlights are following you

**F#m**

As he pulls you closer

**E**

My engine s ticking over

**D**

It s my choice

**E**

To do what I do
