CAPO 2

You're on the [D] wild side  
You're out [G] running free  
Your lights are on [Asus2] when there's darkness  
The other side is [D] all you see

Not a worry for what [D] comes around  
We'll all be tested [G] just the same  
You're on the [A] wild side [Asus2]  
That will always [D] remain

#### CHORUS

You're on the [G] wild side  
That's where you'll [D] always be [Asus2]  
You're living [G] proof that there's grace in this [D] world  
On the wild [Asus] side living free

[G] [D] [Asus2] x2

What can never be [D] taken away  
You push that stone [G] up the hill  
Nothing can change your [Asus2] way of living  
Not tomorrow, not [D] today

Marquees don't really [D] matter  
We'll all be tested [G] in time  
I'll look for you on the [A] wild side [Asus2]  
Through smoke and [D] dim lights

REPEAT CHORUS TWICE

[G] [D] [Asus2] x2

End on [D]
