Alone  
F# C# B C#  
D#m... F#... B... C#...

(D#m) (F#) (B) (C#) (D#m)  
Welcome to heaven, left from the lights, the number seven  
(F#) (B) (C#) B  
You have it all now, now that you ve come to see the light  
D#m C# E C#  
Take it all in, an open mind  
F# E B C#  
Now you wonder: What if your heaven was someone else s hell?

D#m F# C# B C#  
Heaven. What the hell would I do in that place without you?  
D#m F# B C#  
In heaven, alone in heaven, alone heaven, alone in heaven...

D#m F# B C# D#m  
Welcome to heaven! Can you believe the things you see here?!  
F# B C# Ab  
Forever winter, summer of love, spring or fall  
Cm Bb C# Bb  
It doesn t matter anymore  
Alone you wonder,  
D#m C# Abm Bb  
Can this be heaven if my best friends burn in hell?

D#m F# C# B C#  
Heaven. What the hell would I do in that place without you?  
D#m F# B C#  
In heaven, alone in heaven, alone heaven, alone in heaven...

Fm... G#... C#... D#...

D#m F# C# B C# D#m  
I can t see you here. Where have you all gone now?  
F# B  
Don t know, but it hurts, to be all alone  
C#  
On the field where the stones grow dead names

D#m

Ohhhh

F# C# B C# D#m

I ll never leave you behind,

F# E C#

It s one for all, and all for life

Still I wonder,

F# E B C#

Why go to heaven, when my best friends burn in hell?

D#m F# C# B C#

Heaven. What the hell would I do in that place without you?

D#m F# B C#

In heaven, alone in heaven, alone heaven, alone in heaven...

D#m F# C# B C#

Heaven. What the hell would I do in that place without you?

D#m F# B C#

In heaven, alone in heaven, alone heaven, alone in heaven...

D#m F# C# B C# D#m

I can t see you here. Where have you all gone now?

F# B

Don t know, but it hurts, to be all alone

C#

On the field where the stones grow dead names

D#m

Heaven,

F# C# B C# D#m

Whatta hell would I do in that place without you, now?

F# B

Whatta hell would I do in that place without you?

C#

Whatta hell would I do in that place without you?
