If I one...

Abm  
If I one day found my way back home  
E... F# B

E F# Abm  
One more ride for the hell of it

Abm  
If I one day found my way back home  
I would tell you how I love you so

E F# B  
One more time for the road tonight, honey  
E F# Abm  
One more try just for the hell of it

Abm  
Cinder blocks are keeping me inside  
B F#  
Wall so thick, cold yet benign

E F# B  
One more time for the road tonight, honey  
E F# Abm  
One more try just for the hell of it

B D#m Abm  
Can I stay away from you  
E B  
if I get out of here soon?  
D#m Abm  
Would the road be paved by my mistakes,  
E B  
by the law or by you?  
D#m Abm  
Every wall in here is blue,  
E B  
Every man here knows you too  
D#m Abm  
We have seen your every curve,

**E**

The sole good purpose you serve

**Abm**
