

Dead Passengers
Sondre Lerche

EM7 **EM7**
A/E
When there is light from up above, then there will come, a sacred dove to the
basement,
EM7
to the basement
EM7 **EM7**
A/E
When there is fear you won't have to cry, napkins are here, they'll dry your
eyes and blind them
EM7
and blind them

C-B7 **A-G** **C-B7 NC** **EM7-EM7 C#m-Bm Bm-**
EM7
They will come, to your home, when they are here, faces down

EM7 **EM7**
A/E
When there is greed taking control, moving the bricks and starving the older
people
EM7
oh, people

EM7 **C#m-Bm**
A/E
If you seek shelter from your past, they'll come to point their fingers where
you cast your shadow
EM7
cast your shadow

C-B7 **A-G** **C-B7 NC** **E5**
They will come to your home, when they are here, faces down

EM7 **Edim** **E+9** **EM7**
But you have been fooled, you knew the rules, by heart
EM7 **Edim=Gdim=Edim** **E+9** **EM7**
There is, no guarantee against infamy out there

Solo over: **EM7 Edim E+9 EM7**

EM7 **EM7**
A/E
When there is trouble on the road, dead passengers will guide you home, they
will lead you
EM7
if they can just feed you
