Sondre Lerche - Good Luck

Intro: $\mathbf{A}^{*}$ (fingering)
A4 - A - A7+ - A 2x

## A

I had a bad dream, and as the night progressed
Dmaj9
drenched in silliness, $I$ watched it all unfold
Dm A F\#m
Oh dear, if there is any truth to this
Dm
E
Somebody wake me and serve up some good white lies

## A

I had a bad dream in which the phone would ring Dmaj9
and drown out everything that kept me on my feet
Dm A F\#m
But down in streets so quiet now

## Bm

I could hear ticking for meters and barns

## C\#m

When I fall asleep and I climb these four walls D9
Wake up in the middle of conference calls
E7
that $g o$ on forever for nothing at all

Dm7+ D7

Good luck, donâ $\epsilon^{T M} t$ you feel so bad
A4 A A7+ A G F\#
Just donâ $€^{\text {TM }} t$ get your hopes up
Dm7+
D7
Oh, there $\hat{a} \epsilon^{T M} S$ no reason why

A4 A A7+ A 2x

A
I had a bad dream, and as the sun came in

## Dmaj9

I threw out everything that kept me company

## Dm

## A $\quad \mathbf{F} \# \mathrm{~m}$

I held my breath to feel alive
Bm
The damage is measured against the regrets C\#m
The potential of tragedy hangs you by threads

## Dm

 EStrike up the banjo and sing us a song
