[Verse 1]

Lord, Your glory is seen in the heavens
Lord, your love is over the earth
Your faithfulness is through the generations
Who compares to Your matchless worth

[Pre-Chorus]

I will lift my heart in worship
I will lift my voice and sing
Come and dwell among Your people
As Your people crown You King

[Chorus]

Lord Your Glory, Everlasting
I bow down and worship You
Great and mighty, You are Holy
There is no one else like you

[Bridge]

Who am I that You should save me?
Who am I that You should love me?
Who am I that You should give Your life me?
