[Verse 1]

Lord of the Heavens and Creator of the Earth
Who can compare with You, and Your matchless worth?
Teach me to set my eyes, my life, my heart on You
Lord, only You are Worthy, only You are true!

[Pre-Chorus]

I will open up my heart and open up my eyes
And I will give You praise

[Chorus]

You have won the Victory, shed Your precious Blood for me
You have set Your people free and now I m dancing!
You have won the Victory, shed Your precious Blood for me
You have set Your people free and I am free today!

[Verse 2]

Lord of the Heavens and Creator of the Earth
Who can compare with You, and Your matchless worth?
King of Eternity, and Justice Truth and more
Wake up my spirit cos I know this is a war!
