Androgynous Mind
(Thurston)

Hey sad angel walks
And he talks like a girl
Out trying to think
Why it stinks he s not a girl
Now he s kicked in the gut
They fucked him up - just enough
Got me down on my knees
I kiss his ring
God is love

Androgynous mind....

Hey hey are you gay
Are you God
My brain s a bomb
To turn you on
Everything is all right
God is gay
And you were right
Androgynous mind...
Hey hey it s ok.....

God said it s all right
foryou to fight
to free yr mind
Whose side are you on
Like a bomb
Tr free tonite
Androgynous mind...
Hey hey it s ok.....
