Bass tab by Chris Lawrence.

The high notes may or may not be bass, but it sounds cool to play them on bass, anyways.

You wanna do a hammer-on or slide between the G and G# (first 2 notes)

```
G--12--13--13----- Sometimes: --18-18-18-----  
D-----0-0-0-0-0-0- -----0-0-0-0-0-0-  
A-----  
E-----
```

Then, the end goes:

```
G--9-----  
D----0-0-0-0-0-etc.--  
A-----  
E-----
```
