Tuning standard

define chords:

	E5	F#5	G5	C#5	D5
e	---x-----x-----x-----x-----x-----				
b	---x-----x-----x-----x-----x-----				
g	---x-----x-----x-----x-----x-----				
d	---2-----4-----5-----11-----12-----				
a	---2-----4-----5-----11-----12-----				
E	---0-----2-----3-----9-----10-----				

heavy distortion, treble turned low, bass turned high
(or else play it on a bass with the treble turned way up)

(note: this may not be in the same key as what is on the album, but i think the basic intervals are correct)
