

**Lord I Lift Your Name On High**  
**Sonicflood**

Sonicflood is so beast of how they play the song their way!!! Before you start playing let give you a heads up the this is a female version. The original key is A major, I think and at the ending part transposes to E major and it s a cool transition. Hopefully that spending on this song for two nights helped me and for my worship group that we re playing this song for Sunday morning. Wish me luck and wish you luck. If any questions pop up, email me at [gacarrasca@gmail.com](mailto:gacarrasca@gmail.com)!!! Peace
