

What Now My Love
Sonny & Cher

What Now My Love: Sonny And Cher.
#14 in 1966.

#1. (Capo 3rd fret for original.)

G **C** **G**
What now my love, now that you've left me?
Am **D7** **G**
How can I live, through another day?
C **G**
Watching my dreams turning to ash...es,
Am **D7** **G** **G7**
And all my hopes, into bits of clay.

#2.

C **Am** **D** **Bm** **Em**
Once I could see, once I could feel.
Am **D** **G** **G7**
Now I am numb, I've become unreal.
Eb **F** **Bb** **Gm**
I walk the night, without a goal,
Am **D** **Am** **D7**
Stripped of my heart, stripped of my soul.

#3.

G **C** **G**
What now my love, now that it's over?
Am **D7** **G**
I feel the world, closing in on me.
C **G**
Here come the stars, tumbling around me.
Am **D7** **G** **G7**
There's the sky, where the sea should be.

#4.

C **Am** **D** **Bm** **Em**
What now my love, now that you've gone?
Am **D** **G** **G7**
I'd be a fool, to go on and on.
Eb **F** **Bb** **Gm**
No one would care, no one would cry,
Am **D** **Am** **D7**
If I should live, if I should die.

ADD:

G **C** **G**
What now my love...now there is nothing.
Am **D** **G**

Only my last, good...bye.(This line x6)Fade.

A sixties smash from Kraziekhat.
