

Blue Tarp Blues

Sonny Landreth

Most of the song is quite easy, as it s a simple 12 bar blues.
You can play just the chords, but if you listen to the record that s not all.
Sonny uses one of his techniques (no idea how it works exactly) to create an
amazing sound.

Intro: Am Asus4 (repeat some times)

Am

Air Force One had a heck of a view

Dm **Am**

Air Force One had a heck of a view

Em **Dm** **Am**

Looking down on the patchwork of the blue tarp blues.
