Wind and fire

Now my lips are getting drier
A# **F**
On a dusty road so far away from you

F
Hear my fury
D#
In the silence that surrounds me

And I m trying to unravel my mistakes

D# **A#** **F** **Fm**
I'm gonna see what I can be
D# **A#** **C**
Recover you and me

D# **A#** **F** **Cm**
Who am I, I don t know, just a cowboy on his own
D# **A#** **F**
Where the lonely desert meets the big sky
D# **A#** **F** **Cm**
Who am I, I don t know, but I ll never let you go

I will keep you here as long as I m alive
