```
Sophia
Sophia: Oh my love
wonderful song...
Capo 3
intro: Em C D Em
Em
I thought I knew you
But I guess I was wrong
                                D
                                                         Em
You only see the things you ve convinced yourself you saw
But like you said I guess yeah
Maybe I'm blind
Why don't you open your eyes
You might like what you find
Chorus:
                   Bm
 Coz I've been waiting
For such a long time
        \mathbf{Bm}
Your love is still fresh in my mind
And oh my love
           G
Though I wait can't you see
I can't wait forever for you to say you love me
