

As I Lay Me Down
Sophie B. Hawkins

G D C D Em C

it felt like springtime on this february morning

G D G D

in the courtyard birds were singing your praise

C D Em C

i m still recalling things you said to make me feel

G D

alright, i carry them with me today now

G D C D G D C
as i lay me down to sleep, yes i pray, that you will hold me dear
D G D C D G
though i m far away, i whisper your name, into the sky
D C D
and i will wake up happy

G **D** **C** **D** **Em** **C**
 i wonder why i feel so high, while i m not above my sorrow
G **D** **G**
 heavy hearted til you call my name
D **C** **D** **Em**
 and it sounds like churchbells or the whistle of a train
C **G** **D**
 on a summer evening I want to meet you there, i m barely breathing...

G D C D G
it s not too near for me, like a flower i need the rain
 D C D G
though it s not real to me, every season has its change
 D C
and i will see you when the sun comes out again
