A Protest Song  
Sophie Hunger

**A#m G# F#**  
You are the answer, you never talk  
**A#m G# B**  
You have no question, you are a thought  
**A#m F G# F**  
You are the answer, you re shaped and emblazed  
**A#m G# B**  
Through the holes in my cover, you re something I made  
**G#m F# E**  
You are the answer, my truthful response  
**B A# D# B A# D#m**  
My final saying when everyone s gone

You re my illusion, my pattern of wrong  
A hollow idol on the tip of my tongue  
You re my disgrace, my self-made war  
And I don t want to remember faith anymore  
I m wasting myself in the name of a fake  
**G#m F# B C#m D#**  
You were made for me by mistake

**G#m F# E**  
Oh oh wash away  
**G#m F# E**  
Oh oh wash away  
**G#m F# E**  
You had nothing to say  
**B A# D# B A# D#m**  
You were made for me by mistake

I had nothing before, then I had you  
I was denying, now I refuse  
I ve never been young, you ll never grow old  
My life s in my words and my hands they are cold  
I never made sense but now I disturb  
**G#m F# B C#m D#**  
I m bashing my goods against the door of the world

**G#m F# E**

Oh oh wash away

**G#m F# E**

Oh oh wash away

**G#m F# E**

You had nothing to say

**B A# D# B A#**

You were made for me by

**B A# D# B A# D#m**

You were made for me by mistake
