[Verse 1]

 Bm Dm G
Very, very close to heaven
 Bm Dm G
So unobserved, you let it slide

That you really couldn't fly

[Verse 2]

 Bm Dm C G
So you landed on that surface
 Bm Dm C G
Somewhere deep down in the mind
 Bm Dm C G
You left your story at the entrance
 Bm Dm
So sure you'd make it out in time

[Bridge]

Am
You know, yeah you know,
 D
The world is nothing compared
 Am D
To all, to all, to all the miracles up there
Am
You know, yeah you know,
 D
You really shouldn't be aware

[Chorus]

 Bm Am G
So tell the moon, oh tell the moon that you're sorry
 Bm Am G
That you really, really, really need to hurry
Bm Am G
Tell the moon, oh tell the moon that you're sorry
 Bm Am
That you really need to know the end of the story

[Instrumental]

Don't you ask boy if it's worth it
Bm **Dm** **C**
You just can't leave when you've not come

[Bridge]

Am
You know, yeah you know,

The world is nothing compared

You really shouldn't be aware
