BEARD SONG

performed by Sophie Madeleine

written by: Hannah Rockcliffe

D D7

There are beards that reach down to your toes

G Gm

And beards that grow right up your nose

D D7

They're quite impressive I suppose

G A

But I think I love your beard the most

D D7

Well some are big and some are small

G Gm

And some men don't have one at all

D D7

My grandma had one I recall

G A

But ladies beards aren't beautifull

G D D7

Just the sight of a beard can cure you from

G D D7

Naked chins just leave me feeling down

G Gm

Oh if your beard was mine to kiss

D D7

I just don't think I could resist

G A A7

Lately that's all I've been dreaming of

D D7

Oh all great men who've been revered

G Gm

Have facial hair from ear to ear

D D7

And even though its hard to hear

G A

I think only love you for your beard.
