

I Just Cant Stop Myself
Sophie Madeleine

INTRO

G Am7 x2

VERSE 1

G **Am7**
So I sat down on my bed, got my guitar out of it s case,
G **Am7**
And I tried to write a song about a man who fell from grace.
Am7 **C**
But I couldn t seem to manage, no the words weren t ringing true.
G **Em** **C** **G**
And I just can t stop myself from writing love songs about you.

VERSE 2

G **Am7**
Then I tried to sing a tune that I was taught when I was young.
G **Am7**
Oh the melody was sweet enough, but the words came out all wrong.
Am7 **C**
Cause my head is just so heavy with you stuck in there like glue.
G **Em** **C** **G**
And I just can t stop myself from singing love songs about you.

MIDDLE

D **Am**
Who wants to hear another song about your face?
D **Am** **G Am7**
G Am7
About the kisses from your lips, or just some other old cliché?

VERSE 3

G **Am7**
Now I m trying hard to stop you running circles in my brain.
G **Am7**
But every lyric that I hear contains the letters of your name.
Am7 **C**
Since you left me all I think of is the music we once knew,
G **Em** **C**
G Am7 G Am7
And I just can t stop myself from hearing love songs about you.

this is my first tab but i think it s easy enough. not sure how high a demand
there is
for it though
