

## Holler High Sort Sol

Title: Holler High

Artist: Sort Sol

Transcribed by: Charlie Alexander (Charlie.a@mail.dk) Requests,  
or any comments are very welcome!

I really hope you enjoy this song, especially the ones whoâ€™ve  
tried desperately to get this song on the net  
(there isnâ€™t one!).

You can of course download the file from Kazaa if you suddenly  
get interested.

NOTE: Play this with an Acoustic guitar (western) with open chords  
or with an electric with barrÃ© chords.  
Thatâ€™s of course up to you but I think it sounds better this way.

Chords Used: C = x32010 (335553)  
G\* = 320033 (355433)  
Am = x02210 (577555)  
F = x03211 (133211)

s = Slide, but here in this solo make the slide two notes (19&12)  
b = bend, so 12b(14) means to bend a note up!!  
r = release the bend  
~~ = means vibrato

Solo:

This solo will appear at the second repeat of the chorus  
(play 2 times)

and at the end (play 2 times or more, up too you) By the way:  
With lots of distortion!

```
E|-----  
D|-----  
G|19s12~~-12b(14)-12r(14)-11~~~~-11b(12)"11r(12)---9~~~~  
D|-----  
A|-----  
E|-----
```

```
E|-----  
D|-----12s13~~-13--12-----  
G|9h11b(12)-----12~~~~  
D|-----  
A|-----  
E|-----
```

When you repaet this solo dont make the slide just take it from  
12th fret with Vibrato!!!! And you can choose a lower note when you  
finish off, I would suggest that you use the note A on 14th fret on  
String **G**!

Verse Chords: **Am G**

Chorus Chords: **C G Am F**

Intro: He begins to sing Verse 1 but just strum the verse Chords.

Lyrics:

Verse 1:

A [Am] man is a man you can [G] always begin to choose [Am]  
He fell into your dreams [G] and your dreams they are no excuse [Am]  
(Now play the rhythm, it's very easy to pick up)  
He's calling from the chambers of your [G] heart and  
now it's time to choose  
[Am] A journey to the Promised land where [G] we can win or loose  
[Am]

Pre Chorus:

[G] I remember how it [Am] was [F] I remember how it goes....[G]

Chorus:

[C] Cuz you're the reason [G] why I'm high holler in the sky  
[Am] - [F] tell me someone has a reason tell me why  
[C] I am like the [G] ocean waving bye [Am] bye -  
[F] tell me someone has a reason tell me why

Verse 2

A [Am] man is a man he is [G] not afraid to play the fool [Am]  
He fell into your dress and your [G] dress it felt nice and cool  
[Am]

Pre Chorus:

[G] I remember how it [Am] was [F] I remember how goes [G]  
You remember how it [Am] was [F] I remember how it goes [G]

Chorus

Solo x2

Verse3

[Am] Why don't you feel it? [Am] Why don't you feel the way I do?  
[G] Maybe tomorrow?  
[G] Reasons of why and who is who, [Am] getting the picture,  
why don't we take it frame by frame by [G] frame

Chorus:

[C] Cuz you're the reason [G] why I'm high holler in the sky  
[Am]-[F] tell me someone has a reason tell me [C] why I am like the  
[G] ocean waving bye [Am] bye -  
[F] tell me someone has a reason tell me [C] who set this world in  
[G] motion set this world in [Am] motion is it just a [F]  
notion tell me [C] why I am like the  
[G] ocean waving bye [Am] bye - [F]

End off with the solo which you can play as many times as you want,  
perhaps end the song on Am

I hope all you Sort Sol fans enjoy this and please send  
me corrections or comments!!!!
