From: I.R.P* (MAD Mosher)

Fig. 1

```

E- |-----|-----|
B- |-----|-----|
G- |-----|-----|
D- |-----|-----|
A- |-----|-----7-5-----5-4-----7-5-4-----|
E- |-12s0---|---0-0-0-0-----0-0-0-0-----0-0-0-0-----7-5-0-----|

```

_ (Loud slide played at the beginning of the song)

At the start of the song, play the slide and then Fig. 1 twice.
Then start Verse 1:

```

E5 / / //
    Quittin after one more last one.      Tired of playin the clown.
E5 / / //
    If I want your opinion I ll ask ya.      I can get myself down.
E5 /      G5 E5  A5      / G5  D5      A5  G5  E5
    Night driving without headlights,      wearing sunglasses too.
E5 /      G5  E5  A5      / G5  D5      A5  G5
    Looking good, but sure don t feel right.  Anything to be cool.

```

After the final G5 power cord of the verse, slide down to the low E on the sixth string and start Fig. 1 again, playing it twice and then continuing on with the second verse: (same chords as first)

Doin hopscotch with my legs tied, jumpin rope in wet cement.
Black leather in midday sunshine. All you mother s money spent.
Doin time on the metal detector. I d like to drown in your pool.
Covering up everything that s defective. Anything to be cool.

The only change is that a new twist is added during the phrase
all you mother s money spent it goes something like this:

```

E- |-----|
B- |-----|
G- |-----|
D- |----7b9--5-----2-----|
A- |-----7-----2-----|
E- |-----5--0-----|

```

After this verse, go back into Fig. 1 with the following lyrics,
and midway through switch to the chords:

I m_____ an April fool for you. I m an April fool
I m_____ an April fool for you. I m an April fool

And finish strong on an E5 power chord.
