This time I have really led myself astray

Chorus:

Runaway train never going back

C

Somehow I'm neither here nor there

Verse 2

Can you help me remember how to smile

Make it somehow all seem worthwhile

How on earth did I get so jaded

Life's mysteries seem so faded

I can go where no one else can go

I know what no one else knows

Here I am just drowning in the rain

With a ticket for a runaway train

And everything seems cut and dry

Day and night, Earth and sky
Somehow I just don't believe it

Chorus

Bridge:

F

Got a ticket for a runaway train

Dm

Like a madman laughing at the rain

Bb

Little out of touch little insane

C

It's just easier than dealing with the pain

F

Runaway train never going back

Dm

Wrong way on a one way track

Bb

Seems like I should be getting somewhere

C

Somehow I'm neither here nor there

F

Runaway train never coming back

Runaway train burning in my veins

It's runaway but it always seems the same.
