Verse 2

Can you help me remember how to smile

Make it somehow all seem worthwhile

How on earth did I get so jaded

Life s mysteries seem so faded

I can go where no one else can go

I know what no one else knows

Here I am just drowning in the rain

With a ticket for a runaway train

And everything seems cut and dry

Day and night, Earth and sky
Somehow I just don't believe it

Chorus

Bridge:

F#

Got a ticket for a runaway train

Ebm

Like a madman laughing at the rain

B

Little out of touch little insane

C#

It's just easier than dealing with the pain

F#

Runaway train never going back

Ebm

Wrong way on a one way track

B

Seems like I should be getting somewhere

C#

Somehow I'm neither here nor there

Runaway train never coming back

Runaway train tearing up the track

Runaway train burning in my veins

It's runaway but it always seems the same.
