Verse 2

Can you help me remember how to smile

Make it somehow all seem worthwhile

How on earth did I get so jaded

Life's mysteries seem so faded

I can go where no one else can go

I know what no one else knows

Here I am just drowning in the rain

With a ticket for a runaway train

And everything seems cut and dry

Day and night, Earth and sky
Somehow I just don't believe it

Chorus

Bridge:

Got a ticket for a runaway train

Like a madman laughing at the rain

Little out of touch little insane

It's just easier than dealing with the pain
