From: This is where the evil grows

Ok, this is really simple (you need a synthesizer & sampler & all sorts of stuff to play the Cough s songs right), but here s the lil guitar part from opener when I saw them ;))

```
e-----|  
-----|  
-----9-----|  
-----|  
-----7-----|  
E-----|
```

....just hit those 2 notes over & over & over for the whole song.

Ta Da!
Violent Femmes to * (Marlyce Lagalo)
