

Uh Zoom Zip
Soul Coughing

UH, ZOOM ZIP
from the album Ruby Vroom
transcribed by James Meakim (*)

Most of this song is basically just one riff. I m a loser,
so I ve actually taken the time to figure out some of the
parts that Sebastian plays with some consistency.

main riff (w/ lots of variation)

```
G|-----|
D|---5-55-----5-55-----|
A|-----7-----5h7-----7-7--|
E|-0-----x-7-----0-----|
```

chorus riff

```
G|-----|
D|---5-55-----5-55-----5-55-----55-----|
A|-----7-----5h7-----7^-----7-----5h7-----7---5-7--|
E|-0-----x-7-----0-----0-----x-7-----0-----5-----|
```

bridge

```
G|-----|
D|-----5--|
A|-----2/7----|
E|-0-0-0-----|
```

Have fun.
