Intro:

C#sus C# C#sus C#
A#m G# F# C#/F F# D#m

Verse 1:

C#
You were there in the void
A#m
At the sound of Your voice
G# F#
It all began
C#/F F# D#m
It all began

C# C#sus
God of all knelt down
C# A#m
With a kiss to the ground
G# F#
My heart became
C#/F F#
My heart became

Pre-Chorus:

G# A#m F#
Oh, my soul rejoice
G# A#m F#
Oh, my soul

Chorus:

C# D#m
How can I give you anything but everything
C#/F
The universe is at Your feet
F#
To watch You count the stars
G#
But still You call me
A#m
Closer to Your majesty
F#
Closer to Your heart
F#
Iâ€™m running to Your arms

Oh, God of all
(repeat intro)

Verse 2:

C#

Oh, the stains on my hands

C# **A#m**

When I see who I am

G# **F#**

I come undone

C#/F **F#** **D#m**

I come undone

C#

But You broke open the sky

C# **A#m**

What a God who would die

G# **F#**

To give me life

C#/F **F#**

You gave me life
