But your eyes never rise,
G# Bbm
We do whatever passes time
F# C# G#
Then we go looking when it s lost.

You can t carry on but you won t let it go

F# C# G# Bbm
Whether you know its wrong or Whether you know its right
F# C# G#
You never could find yourself alive.
Bbm F# C#
Like a kiss from a burning sun to a sea of magnesium
G# Bbm F#
It never will let you feel alive.

Bbm C#/B C# C#/B
Now, alone with your bloodshot soul,
Bbm C#/B C# C#/B
You can hear your shotgun heart reload.
Bbm C#/B C# C#/B
Though, you remember the best times
Bbm C#/B C#
And only notice when they re gone.

F# C#
But your eyes never rise,
G# Bbm
We do whatever passes time
F# C# G#
Then we go looking when it s lost.

You can t carry on but you won t let it go

F# C# G# Bbm
Whether you know its wrong or Whether you know its right
F# C# G#
You never could find yourself alive.
Bbm F# C#
Like a kiss from a burning sun to a sea of magnesium
G# Bbm
It never will let you feel alive.
