Call, never to come back

Fall, then we can wonder why

Where the sparks don't lead to flames

Here where fusion tears apart

They tell you that well, another circuit's blown

But we only notice when they go.

**Eb Bb**  
But your eyes never rise,

We do whatever passes time

You can t carry on but you won t let it go

Whether you know its wrong or Whether you know its right

You never could find yourself alive.  
**Gm Eb Bb**  
Like a kiss from a burning sun to a sea of magnesium  
**F Gm Eb**  
It never will let you feel alive.

Now, alone with your bloodshot soul,  
**Gm Bb/B Bb Bb/B**

Though, you remember the best times  
**Gm Bb/B Bb**  
And only notice when they re gone.

**Eb Bb**  
But your eyes never rise,  
**F Gm**  
We do whatever passes time
