Intro

G#m, B/B, B, B/B

G#m **B/B** **B** **B/B**
Call, never to come back
G#m **B/B** **B**
Ghosts don't notice when you're gone.
G#m **B/B** **B** **B/B**
Fall, then we can wonder why
G#m **B/B** **B**
We've spent too long tranquillised

E **B**
Out here in the rain,
F# **G#m**
Where the sparks don't lead to flames
E **B** **F#**
Here where fusion tears apart
G#m **B/B** **B** **B/B**
They tell you that well, another circuit's blown
G#m **B/B** **B**
But we only notice when they go.

E B
But your eyes never rise,
F# G#m
We do whatever passes time
E B F#
Then we go looking when it s lost.

You can t carry on but you won t let it go

E B F# G#m
Whether you know its wrong or Whether you know its right
E B F#
You never could find yourself alive.
G#m E B
Like a kiss from a burning sun to a sea of magnesium
F# G#m E
It never will let you feel alive.

G#m B/B B B/B
Now, alone with your bloodshot soul,
G#m B/B B B/B
You can hear your shotgun heart reload.
G#m B/B B B/B
Though, you remember the best times
G#m B/B B
And only notice when they re gone.

E B
But your eyes never rise,
F# G#m
We do whatever passes time
E B F#
Then we go looking when it s lost.

You can t carry on but you won t let it go

E B F# G#m
Whether you know its wrong or Whether you know its right
E B F#
You never could find yourself alive.
G#m E B
Like a kiss from a burning sun to a sea of magnesium
F# G#m
It never will let you feel alive.
