**G** (X3321X)  
**A** (320033)

\*Note\* - When changing from Am to F, hit the G on the E string (3rd fret) between chords.

Intro

**Bm, D/B, D, D/B**

**Bm** **D/B** **D** **D/B**  
Call, never to come back  
**Bm** **D/B** **D**  
Ghosts don t notice when your gone.  
**Bm** **D/B** **D** **D/B**  
Fall, then we can wonder why  
**Bm** **D/B** **D**  
We ve spent to long tranquillised

**G** **D**  
Out here in the rain,  
**A** **Bm**  
Where the sparks don t lead to flames  
**G** **D** **A**  
Here where fusion tears apart  
**Bm** **D/B** **D** **D/B**  
They tell you that well, another circuits blown  
**Bm** **D/B** **D**  
But we only notice when they go.

**G**          **D**  
But your eyes never rise,  
          **A**          **Bm**  
We do whatever passes time  
          **G**          **D**          **A**  
Then we go looking when it s lost.

You can t carry on but you won t let it go

**G**          **D**          **A**          **Bm**  
Whether you know its wrong or Whether you know its right  
          **G**          **D**          **A**  
You never could find yourself alive.

**Bm**                  **G**          **D**  
Like a kiss from a burning sun to a sea of magnesium  
**A**          **Bm**                  **G**  
It never will let you feel alive.

**Bm**                  **D/B**    **D**                  **D/B**  
Now, alone with your bloodshot soul,  
          **Bm**                  **D/B**  **D**          **D/B**  
You can hear your shotgun heart reload.  
**Bm**                  **D/B**  **D**          **D/B**  
Though, you remember the best times  
**Bm**                  **D/B**    **D**  
And only notice when they re gone.

**G**          **D**  
But your eyes never rise,  
          **A**          **Bm**  
We do whatever passes time  
          **G**          **D**          **A**  
Then we go looking when it s lost.

You can t carry on but you won t let it go

**G**          **D**          **A**          **Bm**  
Whether you know its wrong or Whether you know its right  
          **G**          **D**          **A**  
You never could find yourself alive.

**Bm**                  **G**          **D**  
Like a kiss from a burning sun to a sea of magnesium  
**A**          **Bm**  
It never will let you feel alive.
