Intro

C#m, E/B, E, E/B

C#m E/B E E/B
Call, never to come back
C#m E/B E
Ghosts don t notice when your gone.
C#m E/B E E/B
Fall, then we can wonder why
C#m E/B E
We ve spent to long tranquillised

A E
Out here in the rain,
B C#m
Where the sparks don t lead to flames
A E B
Here where fusion tears apart
C#m E/B E E/B
They tell you that well, another circuits blown
C#m E/B E
But we only notice when they go.

A **E**
But your eyes never rise,
B **C#m**
We do whatever passes time

A **E** **B**
Then we go looking when it s lost.

You can t carry on but you won t let it go

A **E** **B** **C#m**
Whether you know its wrong or Whether you know its right
A **E** **B**
You never could find yourself alive.

C#m **A** **E**
Like a kiss from a burning sun to a sea of magnesium
B **C#m** **A**
It never will let you feel alive.

C#m **E/B** **E** **E/B**
Now, alone with your bloodshot soul,
C#m **E/B** **E** **E/B**
You can hear your shotgun heart reload.
C#m **E/B** **E** **E/B**
Though, you remember the best times
C#m **E/B** **E**
And only notice when they re gone.

A **E**
But your eyes never rise,
B **C#m**
We do whatever passes time

A **E** **B**
Then we go looking when it s lost.

You can t carry on but you won t let it go

A **E** **B** **C#m**
Whether you know its wrong or Whether you know its right
A **E** **B**
You never could find yourself alive.

C#m **A** **E**
Like a kiss from a burning sun to a sea of magnesium
B **C#m**
It never will let you feel alive.
