**Dm, F/B, F, F/B**

**Dm F/B F F/B**  
Call, never to come back  
**Dm F/B F**  
Ghosts don't notice when you're gone.  
**Dm F/B F F/B**  
Fall, then we can wonder why  
**Dm F/B F**  
We've spent too long tranquillised

**Bb F**  
Out here in the rain,  
**C Dm**  
Where the sparks don't lead to flames  
**Bb F C**  
Here where fusion tears apart  
**Dm F/B F F/B**  
They tell you that well, another circuit's blown  
**Dm F/B F**  
But we only notice when they go.

**Bb F**  
But your eyes never rise,  
**C Dm**  
We do whatever passes time  
**Bb F C**  
Then we go looking when it s lost.

You can t carry on but you won t let it go

**Bb F C Dm**  
Whether you know its wrong or Whether you know its right  
**Bb F C**  
You never could find yourself alive.  
**Dm Bb F**  
Like a kiss from a burning sun to a sea of magnesium  
**C Dm Bb**  
It never will let you feel alive.

**Dm F/B F F/B**  
Now, alone with your bloodshot soul,  
**Dm F/B F F/B**  
You can hear your shotgun heart reload.  
**Dm F/B F F/B**  
Though, you remember the best times  
**Dm F/B F**  
And only notice when they re gone.

**Bb F**  
But your eyes never rise,  
**C Dm**  
We do whatever passes time  
**Bb F C**  
Then we go looking when it s lost.

You can t carry on but you won t let it go

**Bb F C Dm**  
Whether you know its wrong or Whether you know its right  
**Bb F C**

**C Dm**  
It never will let you feel alive.
