

**Sometimes
Sound of Guns**

Sometimes

Intro: **E**

E

When the mind aches and pupils dilate

Give me some alcohol to stop me growing older

No survivors except the drivers

Here come a hurricane too finish anyone thatâ€™s still alive

Are you alive? (We re Alive)

Because I can see the strangers getting stranger by the mile

Sometimes, sometimes, I can here these voices trying to tell me

A

That forever never comes

E

B

Oh No No, I was born here and ill die here,

A

E

B

Oh No No, I can see for miles and miles around here,

B

Oh No No, We the Silence and the violence, Oh No No Oh

E

Give us caution, give us warning

Or is the irony too heavy for your shoulders,

Still no survivors except the drivers

Here comes an avalanche to bury everyone thatâ€™s still alive

Are you alive? (We re Alive)

Because every single stranger is getting stranger every mile

Sometimes, yes Sometimes, I still hear the voices trying to

A

Tell me that forever never comes

E

B

Oh No No, I was born here and ill die here,
