The world we live in is a
Strange strange place and its
Filled with beauty and its
Filled with rain

(C5) G Am7 G/B
But I ve found
C5 G Am7 G/B C5
I ve found a saving grace

G C5
I Kept wondering how could
I be whole with such
Love and hate oozing
Through my soul

(C5) G Am7 G/B
But I ve found
C5 G Am7 G/B C5
I ve found a saving grace

(C5) G Am7 G/B
In your smile
C5 G Am7 G/B C5
In your sweet sweet taste

Am G C5 G C5
Aaaaaah...
Am C G C5 G C5
Aaaaaaaaaaaaaah...

G C5
One man laughs
Another cries
One child lives while a
nother dies
Life for me was just a
Lonely dance somehow
I got mercy and a
Second chance

(C5) G Am7 G/B

When I found

I found a saving grace

In your smile, your touch

In your funny face

Am G C5 G C5

Aaaah...

Am C G C5 G C5

Aaaaaaaaaaaaaah...
