>From Down On The Upside

The only real difficulty with this song is to keep up the speed during the whole song. it s actually pretty hard to keep it up without getting tired...

But besides that, the song is very simple.
Listen to the song several times to get it right.

It s in standard tuning.

Play this once for the intro and then six times during the verse.

During the verse, it s doubled by a second guitar.

LYRICS

We see the vipers of distance
Crawl into our lives everyday
Breeding our Edens of hatred
Pathetically stupid and unkind
We couldn't look a saint in the eyes

On the storm
It s time to go
On the storm
It s time to go

Marching in lines of contradiction
Forgetting the history we make
Loving our hangmen as the penultimate joke
We lack the Moses
To look a saint in the eyes

(Chorus)

(Chorus)

Well,that s what i know for this song...

Have fun, Did you know that milk was healthy ?
