LETRA:

Fell On Black Days

Whatsoever I ve feared has come to life

Whatsoever I ve fought off became my life

Just when everyday seemed to greet me with a smile

Sunspots have faded

And now I m doing time

Cause I fell on black days

Whomsoever I ve cured I ve sickened now

Whomsoever I ve cradled I ve put you down

I m a search light soul they say

But I can t see it in the night

I m only faking when I get it right

Cause I fell on black days

How would I know

That this could be my fate

So what you wanted to see good has made you blind

And what you wanted to be yours has made it mine

So don't you lock up something that you wanted to see fly  
Hands are for shaking  
No, not tying  
No, not tying

I sure don't mind a change  
But I fell on black days  
How would I know  
That this could be my fate
