Lyrics:

Swings from somewhere you can t see

She sits in the top of the greenest tree
She sends out an aroma of undefined love
Drifts on down in a mist from above

She s just a girl, a girl, a girl you want
She s just a girl, a girl, a girl you want

You can hear her calling everywhere you turn
You know you re headed for the pleasure burn
The words get stuck on the tip of your tongue
She s the real thing but you knew it along

She s just a girl, a girl, a girl you want

(Bridge)

Look at you, your mouth watering
Look at you your mind spinning
Why don t we just admit it s all over
She s just a girl you want

She s just a girl, a girl, a girl you want
She s just a girl, a girl, a girl you want

She swings from somewhere you can t see
She sits in the top of the greenest tree
She sends out an aroma of undefined love
Drifts on down in a mist from above

She s just a girl, a girl, a girl you want
She s just a girl, a girl, a girl you want

(Bridge)

She s just a girl, a girl, a girl you want
She s just a girl, a girl, a girl you want
She s just a girl, a girl, a girl you want
