LETRA:

New Damage

When new damage comes  
It s a faceless poison  
A new world order  
It s new damage done

The wreck is going down  
Get out before you drown  
The wreck is going down  
Get out before you drown

When new damage comes  
It s a new word for plague  
A new world order  
A new word for hate

The wreck is going down  
Get out before you drown  
The wreck is going down
