**E** **C#**  
I want you to know  
**E**

**B**  
what I ve become  
**C#**  
is all I own  
**E**  
I live inside  
**B**  
my own machine  
but these clocks that keep me  
will always

**E**  
sing  
**A**  
sing to me  
**C#**  
when you can breathe  
**A**  
when you can t sleep  
**E**  
when you re feeling alone  
**A**  
and the words aren t right  
**B** **E**  
just sing, sing to me

**B** **Ab**  
I know that no one else  
**B** **F#**  
can save me from myself  
**B** **Ab**  
but these words, like painted glass  
**B** **F#**  
have frozen me between

**E**  
sing  
**A**  
sing to me  
**C#**  
when you can breathe

**A**

when you can't sleep

**E**

when you're feeling alone

**A**

and the words aren't right

**B**

**E**

just sing, sing to me
